## Driffield Community Team

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constables (PCs) and Police Community Support Officers (PCSOs), all under the command of an Inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us

## APPEALS

A man aged 28 has been arrested after a man sustained a serious head injury in Goole during the early hours of yesterday morning (Monday 1 January).

We were called to reports that two men had been involved in an altercation at around 2.50am on Aire Street resulting in a 20-year-old man reportedly being assaulted.

The man aged 20 was taken to hospital to receive medical treatment for a fractured skull which is thankfully not thought to be life threatening at this time.

A 28-year-old man was arrested nearby on suspicion of grievous bodily harm and remains in our custody whilst we continue to conduct lines of enquiry.

Detective Inspector Paul Farmer said: "We are currently in the early stages of our investigation, but I would like to reassure people that we do believe this to be an isolated incident.

"As part of our investigation, a scene guard remained in place to allow detectives to follow lines of enquiries. I would ask anyone who has any concerns to please do come speak to us.

"I would encourage anyone who may have information or has CCTV or dashcam footage that may assist with our enquiries to please contact us on our non-emergency number 101 quoting log 164 of 1 January." Alternatively, you can contact Crimestoppers anonymously on 0800 555 111.

Can you help officers identify the man in these images as a part of an ongoing investigation into a road traffic collision on the M62 eastbound, near to the Glews services, on Sunday 13 August 2023.

It is reported at around 3.10pm, two cars were involved in a collision before a man is believed to have fled the scene.

Officers have been following extensive lines of enquiries, including address checks, and we are now in a position to release images of a man we are keen to speak to.
